Re: 2009 Scholarship Applications

The Canyon County Farm Bureau announces several opportunities for scholarships for high school seniors or college students. These opportunities include.

1. Canyon County Farm Bureau Scholarships – There is one \$1,500 scholarship and one \$500 scholarship (sponsored by the Young Farmers and Ranchers Committee) available for a student enrolling or enrolled in an Agricultural or related field of study, and one \$750 scholarship which could be based upon financial need. The finalists will be referred on to the Idaho Farm Bureau Scholarship program, in which there are a total of eight \$750 scholarships available.
2. Canyon Agricultural Foundation for Education Scholarships – The Foundation has funds for one \$1,000 scholarship and one \$1,000 per year/four-year commitment to the student as long as they remain enrolled in college in an Agricultural field of study and maintain a 2.5 GPA.

These scholarships are available to all students (both high school and college) who are planning to attend an institution of higher education in the 2009-2010 school year. Priority will be given to students enrolling in an agricultural field of study and students who have not received one of these scholarships in the past. Eligibility requirements are delineated in each application.

DEADLINE for Canyon County Farm Bureau Scholarship and the Canyon Agricultural Foundation for Education Scholarships is **March 15, 2009**. Incomplete or late applications will not be considered.
